The National Service Organization of the NFP program sees the Advisory Committee as a valuable tool to be sustainable to the NFP program and to provide counsel and advice to those managing the program.

### **Some points to discuss with the advisory committee members:**

- What is an effective way to engage with you and the community, how do you prefer to receive information?
- What do you know about NFP and what more would you like to know?
- Do you work in agencies that the program could partner with to increase our stream of referrals?
- How comfortable are you with promoting the program and/or referring someone to the program?
- What materials/literature about the program would you like?
- Thoughts on funding sources now that we lost a major funding source?

5. Review Strategic Planning summary document (11:15 – 11:30)
6. Staff updates (11:30 – 11:40)
7. Member updates (11:40 – 12:00)
8. Adjourn
